

RC151UC8

Indoor Ceiling Mount DALI-2 Presence Detector

RC151UC8 DALI-2 Presence Detector brings energy saving and automatic lighting control to DALI-2 Building and Home Control System with ease and comfort.

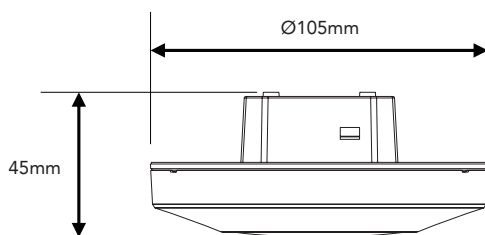

Specifications

Model Name	RC151UC8
Product Name	Ceiling Mount DALI-2 Presence Detector
Rated Voltage	9-22.5VDC via DALI Bus (Typically, 16V)
Operating Temperature	-20°C ~ +45°C
Rated Load	Power supply via DALI Bus
Rated Protection	IP20 with EU standard junction box or spring clip box IP54 with surface mounting box
Detection Range	Ø8m at 2.5m height, 20°C
Detection Angle	360°
Lux Setting	10 - 2000 lux
DALI-2 Standards	101 / 103 / 303 / 304
Optional Products	Surface mount box / Spring clip box
Accessory	Lens mask
Certification	CE, RoHS and DALI-2
